(b) if so, the details thereof, State-wise;

(c) the details of proposals approved so far, State-wise; and

(d) the financial allocation made for this purpose during the said period and current year, year-wise and State-wise?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT(SHRI AJAY MAKEN)

(a)to(d) : Improving water and sewage disposal systems is a State subject and it is the responsibility of the State Govt./Urban Local Bodies(ULBs) to plan, design, execute, operate and maintain such projects in their states. However, the Ministry of Urban Development, Government of India, supplements the efforts of State Governments through the Urban Infrastructure and Governance (UIG) component of Jawaharlal Nehru National Urban Renewal Mission(JNNURM), the Urban Infrastructure Development scheme for small and medium towns) (UIDSSMT) component of JNNURM and the 10% lumpsum scheme for infrastructure development in the NE states including Sikkim. The State-wise details of Water supply/Drainage/Sewerage projects approved under JNNURM (UIG) are given at Annexure- I. The state-wise details of Water supply/Drainage/Sewerage projects approved under UIDSSMT are given in Annexure II. The details of projects sanctioned under 10% lump sum provision for the projects/schemes for the benefit of North Eastern Region and Sikkim are given at Annexure-III.
